Re: Errata to
MidAmerican Energy Company's 2009 Reconciliation for the Energy
Cost Recovery Factor
Docket No. EL07-015

Dear Ms. Van Gerpen:

On February 19, 2010, MidAmerican Energy Company (MidAmerican) filed its 2009 Energy Efficiency Annual report and reconciliation for the 2009 Energy Cost Recovery Factor (ECR Factor) from May 1, 2009, through December 31, 2009, (2009 Reconciliation). Additionally, MidAmerican also submitted its 2010 Energy Efficiency Plan Update.

After submitting its revised 2009 Reconciliation, MidAmerican discovered an inadvertent error in the residential electric sales forecast, which impacted the calculation of the electric ECR Factor. To correct its February 19, 2010, filing, MidAmerican submits the following errata to Exhibit C(E) page 5 of 5:

Line 1, Colum (g), page 5 of 5, should read:

31,305,350 instead of 154,964,839.

The change in Colum (g), page 5 of 5, impacts the ECR Factor in Colum (h) ((f)/(g)). Colum (h) should read:

\$0.00250 instead of \$0.00050.

The enclosed Revised Exhibit C(E), page 5 of 5 reflects these changes.

Ms. Patricia Van Gerpen

In addition, the attached electric tariff sheet, including a redlined version, is being transmitted to you for filing.

South Dakota Electric Tariff
Section No. 3:

Sub 1st Revised Sheet No. C-3a

Canceling Original Sheet No. C-3a

MidAmerican is submitting the revised tariff sheet to reflect the revised factor. MidAmerican respectfully requests approval on less than 30 days notice pursuant to Section 20:10:13:20, requesting a April 5, 2010, effective date, as originally reflected in the February 19, 2010 filing.

MidAmerican regrets any confusion or inconvenience the errata may have caused. If there are any questions, please do not hesitate to contact me at 563-333-8006.

Sincerely,

/s/ Jennifer S. Moore
